

L.O.V.E. delivery service:

Step 1: Click on the **SHOP ONLINE** icon at the top of our website.

Step 2: Select **CLICK HERE TO SIGN UP**. Please fill out the customer sign up page in completion.

Step 3: Once registration is complete, click the **LINK** button to create a standing order.

Step 4: Select the box of your choice then click the **UPDATE ORDER** button. Make sure to pick all frequencies of delivery, and the start date.

[**Note:** In the next step you will be able to customize your box, and choose which items you want always, sometimes, or never.]

Step 5: Once you have selected your box, frequency, and start date, scroll to the top of the page and click on **NEVER SENDS** to choose what items you want and do not want.

Step 6: In the **NEVER SENDS** page, click on **FRUITS** or **VEGETABLES** and in each section you can select **ALWAYS**, **SOMETIMES**, or **NEVER** for each fruit or vegetable.

Step 7: At the bottom of the page, click the **SUBMIT** button, once you are happy with your choices. This will open a new page... scroll down to **CLICK THIS BOX** to return to the top level. Click the check to select your box and **SUBMIT**.

PLEASE NOTE: You will have to do this individually for **FRUITS**, then again for **VEGETABLES** to make sure your order is properly customized to your liking.

Step 8: Once you have submitted your order and we process it... relax, sit back and we will give you a call to confirm your order and information. We look forward to speaking with you, and thank you for choosing **L.O.V.E. delivery!**
